There's nothing particularly preppy (or nautical, or Parisienne) about the new way to wear stripes. Instead, designers have crossed the line into graphic bands of colour that will rule your spring wardrobe

**RIBBON CUTTING** A Peter Pilotto set takes a simple pinstripe and slices and dices it to create a look that's got all angles covered. Jacket, price on request through [www.peterpilotto.com](http://www.peterpilotto.com). Peter Pilotto skirt, \$690 (U.S.) at Bergdorf Goodman ([www.bergdorfgoodman.com](http://www.bergdorfgoodman.com)). Sandals, \$55 through [ca.hunterboots.com](http://ca.hunterboots.com). **RAISING THE BAR** Awning stripes in a rainbow of hues help make Tanya Taylor's collection the most eye-popping example of the trend. **HITTING YOUR STRIATION** The secret to layering stripes is searching out pieces with connecting tones, and colour blocking your accessories.
